Name of Servicing Agent	Servicing Agent Address	Servicing Agent Phone Number

Name of Title Company	Title Company Phone Number

I understand the duties of a servicing agent include, but are not limited to, the following:

- Full appraisal (not a BPO) by an independent third-party upon request by TCA by E*TRADE
- Collection of payments for remittal to TCA by E*TRADE or to be held by the servicing agent on the IRA's behalf
- Minimum of annual statements provided to TCA by E*TRADE showing payments if being held at the servicing agent
- Detailed accounting
- Handling of any legal proceedings, if necessary
- Preparation and completion of all necessary paperwork for conveyances, assignments and transfers
- Recording of notes and/or deeds with the county or state.

I understand TCA by E*TRADE will not provide services listed above. I agree that through the life of my investment I will employ a servicing agent. **If I employ a servicing agent with whom I am associated, I attest that I am not personally receiving any benefits or compensation which would be deemed a prohibited transaction. If payments are being held at the servicing agent, I attest that funds are being handled in such a manner so as not to create a prohibited transaction.**

I understand that TCA by E*TRADE may obtain and notify me of my property's fair market value on an annual basis. I understand that this value will be reflected in my IRA account and may be reported to the IRS. I understand that if I dispute the fair market value provided by TCA by E*TRADE, I will be responsible for obtaining and submitting to TCA by E*TRADE an independent third-party appraisal of the property's value. I understand that TCA by E*TRADE may request an independent third-party appraisal be completed on any property for which TCA by E*TRADE has not provided me a fair market value for, or for a property that I have not provided TCA by E*TRADE an independent third-party appraisal for within the last year.

I hereby understand and acknowledge that the items listed below must be paid directly from my IRA account, by my servicing agent or by a renter or lessee. If these items are paid by any other entity, a Prohibited Transaction may occur per IRS Publication 590. I have read and understand the instructions section of this form which discusses prohibited transactions. I hereby agree to indemnify and hold harmless TCA by E*TRADE from any claim, controversy, or dispute arising out of any of the transactions which may or may not have occurred on behalf of my account. I understand that the list below is non-exclusive and that there may be additional payment obligations.

- Property Tax Payment
- Utility, Repair, Contractor, Property Management and Insurance Bills
- Homeowner's Association Fees (HOA)

I understand that property with permanent structures needs to be adequately insured, and that I choose to accept any risk if not adequately insured.

I recognize that servicing, tax filing, managing, and annual valuations (upon request) of this investment are the responsibility of the servicing agent and are not the obligation of or services provided by TCA by E*TRADE. I agree that I will direct the servicing agent to send all funds generated from this investment to my TCA by E*TRADE account or to hold the funds on the IRA's behalf. I will forward any funds received directly by me to my TCA by E*TRADE account or to the servicing agent for deposit. I understand that I will be responsible for any actions related to, and costs associated with, any legal proceedings that are related to this investment. I am aware that if no annual valuation of an investment is available that TCA by E*TRADE is obligated to report the most recent valuation. I am aware that TCA by E*TRADE's role is strictly that of a custodian for my account; and that they bear no responsibility to forward to me any notices, or other legal documents that would relate to this investment, even if TCA by E*TRADE elects to forward information to me from time to time. I understand that TCA by E*TRADE may review the asset and if no valuations (upon TCA by E*TRADE request) and/or statements of asset activity have been received, or if a prohibited transaction has occurred, TCA by E*TRADE may resign as custodian of the asset.
